

## PROJECT DISSERTATION/ JOB TRAINING

Institute facilitates Masters' level, hands-on small research projects/ project dissertation. It aims to inculcate research and strengthen the sense of planning execution and analysing efficiency in young scholars. Our faculties and research scholars help the student's capability in

1. Selection of research topic;
2. To raise a research question;
3. Effective planning for the research;
4. Being organised and methodical while conducting research; and
5. Reporting the research.
