

NIRT/PROJ CELL/RECTT/NTBPS/2020-21/

Dt: 09.12.2020

ONLINE INTERVIEW/WRITTEN TEST

The following posts are to be filled purely on contract basis from willing eligible candidates to work for the project titled “**National survey for state-wise prevalence of microbiologically confirmed Pulmonary Tuberculosis in India**”

Interested candidates who possess the requisite eligibility criteria may apply online attaching the self-attested copies of credentials including latest caste/community certificate issued by the competent authority and uploading a photograph latest by **21st December 2020 till 5:00 p.m.** The online link is <https://forms.gle/tASoHgXc5kDu9EkE6> which can be accessed through our website www.nirt.res.in and www.icmr.gov.in and respective websites of ICMR Institutes/centers coordinating the project.

The date of online skill test/written test followed by interview will be intimated to the short-listed candidates. The short-listed candidates should make their own arrangements for videoconferencing facility to attend online interviews and test for which the web link will be shared by NIRT. The State-wise number of posts to be filled-up, education qualifications and experience required, reservation points, consolidated monthly salary, age limit, job specifications and responsibilities etc. are given in Tables 1 and 2 as detailed under.

Table 1

S.No	Name of the post	No of vacancies	Reservation category	Upper age limit	Consolidated Monthly Salary	Education qualification
1.	Scientist C (Medical)	10 posts (Bihar-1, Rajasthan-1, Odisha-1, Gujarat-1, Jharkhand-1, West Bengal-1, Andhra Pradesh-1, Punjab- 1, Assam-1, Himachal	----	40 years	Rs.64,000+ HRA Rs.8325/- p.m	<u>Essential qualification:</u> MBBS degree with 4 years Research/ teaching experience in the relevant field. OR MBBS with PG (MD/DNB/MPH/MAE) from a recognized university with 1 year Research/teaching experience in the relevant field. <u>Desirable qualification:</u> • Doctorate or MD or Master degree in the relevant subject

		Pradesh/Utarakand/ Jammu and Kashmir-1)				<ul style="list-style-type: none"> • Additional Post-doctoral research/ teaching experience in relevant subjects in recognized institute(s). • Knowledge of Computer Applications or Business Intelligence tools/Data Management. • Minimum one year experience in NTEP.
	Consultant (Medical)	10 posts (Bihar-1, Rajasthan-1, Odisha-1, Gujarat-1, Jharkhand-1, West Bengal-1, Andhra Pradesh-1,Punjab- 1,Assam-1, Himachal Pradesh/Utarakand/Jamm u and Kashmir-1)	-----	70 years	Rs. 72,325/- p.m (Fixed)	<p><u>Essential qualification:</u> Retired Medical Officers from Govt / Govt. recognized Medical Institute.</p> <p><u>Desirable qualification:</u> 1.Master degree in the relevant subject (Community Medicine/ Preventive & Social Medicine/ Paediatrics/ Medicine/ Tropical Medicine/ Community Health Administration/Health Administration/ FamilyMedicine/ Epidemiology/ Public Health) from a recognized university. 2. Additional Post-doctoral research/teaching experience in relevant subjects in recognized institute(s). 3. Knowledge of Computer Applications or Business Intelligence tools /Data Management. 4. Minimum one-year experience in NTEP</p>
2.	Consultant Microbiologist (Non-Medical)	Tamilnadu (Chennai - CPMU) -1	-----	45 years	Rs.60,000/- p.m (fixed)	<p><u>Essential qualification:</u> Ph.D. in Medical Microbiology/Immunology/Biotechnology from a recognized University with 3 years of TB related research experience (OR) M.Sc. degree in relevant subjects from a recognized University with 5 years of TB related research experience.</p> <p><u>Desirable qualification:</u> 1.Hands on experience with culture and DST of Mycobacterium. 2. Experience of handling and reporting IGRA or Immunological assays related to Mycobacterium 3. Infection studies with tissue culture cells. 4. Additional post-doctoral research/teaching experience in Mycobacteriology from recognized Institute(s) 5. Knowledge of Computer Applications or data management.</p>

						Diploma / PG in Community medicine / Public Health / Community Health Administration (CHA)/ Management / 6. One-year experience in NTEP.
3.	Project Technical Officer (Senior Investigator)	1 post (Maharashtra-1)	SC-1	30 years	Rs.32,000/- p.m (fixed)	<p><u>Essential qualification:</u> Graduate in Science/Epidemiology/Public Health from a recognized University with 5 years' work experience in a recognized institution.</p> <p>(or)</p> <p>Master's degree in Epidemiology/Public Health from a recognized University.</p> <p><u>Desirable qualification:</u></p> <ul style="list-style-type: none"> • Three years Research/Field Experience. • Any Survey/Field experience. • Minimum 2 years experience in NTEP.
4.	Project Technical Officer (Senior Technical Assistant)	1 post (Maharashtra-1)	EWS-1	30 years	Rs.32,000/- p.m (fixed)	<p><u>Essential qualification:</u> Graduate in Science from a recognized University with 5 years' work experience in a recognized institution.</p> <p>(or)</p> <p>Master's degree in Epidemiology/Public Health from a recognized University.</p> <p><u>Desirable qualification:</u></p> <ul style="list-style-type: none"> • Three year of Research Experience • Any Survey/Field experience. • One year experience in NTEP.
5.	Project Technical Officer (Medical Social Worker)	1 post (Bihar-1)	UR-1	30 years	Rs.32,000/- p.m (fixed)	<p><u>Essential qualification:</u> Graduate in social sciences/Social Work/ Sociology / Medical Sociology/ Psychology/Anthropology from a recognized university with 5 years' work experience from a recognized institution.</p> <p>(or)</p> <p>Master's degree in social sciences/ Social Work/ Sociology/Medical Sociology/ Psychology /Anthropology.</p> <p><u>Desirable qualification:</u></p> <ul style="list-style-type: none"> • Experience in administering Informed Consent. • Experience of working in community health programs.

6.	Project Assistant (Field investigator)	3 posts (Maharashtra-3)	ST-1, EWS-2	30 years	Rs.31,000/- p.m (fixed)	<p><u>Essential qualification:</u> Graduate in Science from a recognized university with three year's experience or Master's degree in science from a recognized university.</p> <p><u>Desirable qualification:</u></p> <ul style="list-style-type: none"> • Master's degree in Epidemiology/Public Health/Medical Social Work/Science subject • Experience in field level data collection • Experience in NTEP program • Experience in conducting Census and field surveys • Knowledge of Computer applications.
7.	Project Technician III (Laboratory Technician – for field)	8 posts (Punjab-1, Odisha-1, Karnataka-2, Maharashtra-3) UP West team-1)	UR-3, OBC-1, SC-2, ST-2	30 years	Rs.18,000/- p.m (fixed)	<p><u>Essential qualification:</u> 12th pass in science subjects with any one of the following:</p> <ul style="list-style-type: none"> • Two years Diploma in Medical Laboratory Technology OR • One year Diploma in Med Laboratory Technology with one year laboratory experience in a recognized organization/institution OR • Two years laboratory experience in a government recognized organization /institution. <p>*B.Sc.,MLT shall be treated as three years' experience.</p> <p><u>Desirable qualification:</u></p> <ul style="list-style-type: none"> • Experience in culture (solid and liquid) and DST for mycobacterium tuberculosis. • 1 year experience in NTEP as LT. • Past experience of working in an Intermediate Reference Laboratory or National Reference Laboratory for Tuberculosis.
8.	Project Technician III (X- Ray Technician)	2 posts (Bihar-1, Karnataka-1)	SC-2	30 years	Rs.18,000/- p.m (fixed)	<p><u>Essential qualification:</u> 12th pass in science subjects and must have done Radiographer /X-ray Technologist course of minimum one year duration from a recognized institution.</p> <p><u>Desirable qualification:</u></p> <ul style="list-style-type: none"> • 3 years' experience as Medical X-Ray Technician in Radiology units, Hospitals or clinics. • Experience of working in the Mobile X-ray Unit.
9.	Data Entry Operator (Grade B)	3 posts (Gujarat-1, Maharashtra-1, West)	UR-1 ST-2	28 years	Rs.18,000/- p.m (fixed)	<p><u>Essential qualification:</u> Intermediate or 12TH pass in science stream from a recognized board with DOEACC "A" level from a</p>

		Bengal-1)				<p>recognized institute and/or 2years' experience in EDP work in Government, Autonomous, PSU or any other recognized organization. A speed test of not less than 8000 key depressions per hour through speed test on computer.</p> <p><u>Desirable qualification:</u></p> <ul style="list-style-type: none"> • Experience in Data Entry in research projects or in any National Health Program. • Work experience in Electronic Data Processing/Biostatistics/Data Management. • Should be well conversant with various computer programming including MS Word, Excel
10.	Project Technician II (Health Assistant)	8 posts (Punjab-2, Maharashtra-6)	UR-2, OBC-2, SC-1, ST-1, EWS-2	28 years	Rs.17,000/- p.m (fixed)	<p><u>Essential qualification:</u> 1.High School* or equivalent with 5 years' experience in health field from any recognized institute or organization. *Intermediate with Science subjects shall be treated as equivalent to 2 years' experience and B.Sc shall be treated as equivalent to 3 years.</p> <p><u>Desirable qualification:</u></p> <ul style="list-style-type: none"> • Experience of working in Surveys • Experience of working in TB program • Experience of working in Research.
11.	Project Technician II (Laboratory Assistant)	4 posts (Gujarat-1, Karnataka-1, Maharashtra-1, West Bengal-1)	UR-1, OBC-1, SC-1, EWS-1	28 years	Rs.17,000/- p.m (fixed)	<p><u>Essential qualification:</u> High School or equivalent with Five years' experience in related field from Government Institution/Recognized institute.</p> <p>(or)</p> <p>Certificate of one year training in the DMLT from a recognized institute.</p> <p><u>Desirable qualification:</u></p> <ul style="list-style-type: none"> • B.Sc. or 2 years Diploma in Medical Laboratory Technician from recognized board or Institute. • Experience in blood collection and sputum collection. • Experience in Sample packaging and transportation procedures. • Knowledge of biomedical waste management practices.

12.	Unskilled Worker (Helper)	6 posts (Madhya Pradesh-1, Bihar-1, Jharkhand-1, Maharashtra-2, Himachal Pradesh-1)	UR-2, OBC-2, SC-1, EWS-1	25 years	Rs.15,800/- p.m (fixed)	<u>Essential qualification:</u> 1.High School or equivalent. <u>Desirable qualification:</u> •Graduate or diploma in any stream. •Working knowledge of English.
13.	Senior Project Assistant (UDC)	4 posts (Odisha-1, Gujarat-1, Maharashtra-1, Himachal Pradesh-1)	UR-2, OBC-1, SC-1,	28 years	Rs.17,000/- p.m (fixed)	<u>Essential qualification:</u> 12th Pass or equivalent from a recognized board with 5 years' experience of administrative work (or) Graduate in any discipline with 2 years' experience of administration work. And A speed test of not less than 8000 key depressions per hour through speed test on computer. <u>Desirable qualification:</u> • Past experience in accounting and managing funds.
14.	Unskilled Worker (Sweeper)	4 posts (Chhattisgarh-1, Maharashtra-2, West Bengal-1)	UR-2 OBC-1, SC-1,	25 years	Rs.15,800/- p.m (fixed)	<u>Essential qualification:</u> High school or Equivalent. <u>Desirable qualification:</u> • Experience of working in Field surveys and health programs.
15.	Project Technician III (Laboratory Technician) (for IRL Laboratory)	6 posts (IRL Raipur-1, NRL, NTI Bengaluru-1, IRL Delhi-1, IRL Lucknow-2, IRL Pune-1,	UR-2, OBC-2, SC-1, EWS-1	30 Years	Rs.18,000/- p.m (fixed)	<u>Essential qualification:</u> 12th pass in science subjects with any one of the following: •Two years Diploma in Medical Laboratory Technology (or) •One year Diploma in Med Laboratory Technology with one year laboratory experience in a recognized organization/institution (or) •Two years laboratory experience in a government recognized organization/institution. *B.Sc.,MLT shall be treated as three years' experience. <u>Desirable qualification:</u> •Experience in culture and DST for mycobacterium tuberculosis. •2 years' experience in NTEP as LT.

S. No	Name of the post	Job Specifications/Responsibilities
1.	Scientist C (Medical)	<ul style="list-style-type: none"> • Get trained in Protocol of National TB Prevalence Survey, India as well as SOPs and training manuals. • Assist the Survey Project Management Unit in training & sensitizations of various stake holders at various levels as well, as other preparatory activities for the survey. • Coordinate with Survey Team and local NTEP team in identification & establishing survey site for each cluster. • Review and report all chest X-Ray images are for any abnormality as per survey protocol and SOP in time bound manner. • Identify other medical conditions as well as the triage by coordinating with the local health facilities as well as referral to higher centers as and when necessary. • Establishing coordination and support from local health facilities and authorities for survey activities. • Any other job as assigned by PI.
2.	Project Technical Officer (Senior Investigator)	<ul style="list-style-type: none"> • Get trained in Protocol of National TB Prevalence Survey. • Assist the Survey Project Management Unit in training & sensitizations of various stake holders at various level as well, as other preparatory activities for the survey. • Establish Survey site for each cluster. • Plan cluster activities in advance and delegate all responsibilities in survey team. • Coordination & supervision of all activities in the cluster during survey including enumeration, enrolment of eligible, interview of participants, X- Ray of all participants, Blood and sputum collection, maintaining cold-chain, transportation etc. • Use IT system for daily monitoring of progress and take timely corrective action for maintain highest quality and participation & completion of survey activities. • Regularly communicate and comply central PMU • Establishing coordination and support from local health facilities and authorities for survey activities. • Ensure that electronic attendance register is maintained for Survey Team as well as supervisory officers, support staff etc. for each cluster. • Any other job as assigned by Survey PMU.
3.	Project Technical Officer (Senior Technical Assistant)	<ul style="list-style-type: none"> • Get trained in Protocol of National TB Prevalence Survey. • Assist Senior Investigator in training & sensitizations as well as other preparatory activities for the survey. • Lead survey cluster activities in the absence of Senior Investigator. • Take handover from Senior Investigator (when he/she is moving to next cluster for planning) and continue coordination activities in current activities • Hand over the cluster activity status, pending and follow-up activity details with local NTEP staff and officials. • Coordination & supervision of all activities in the cluster during survey including enumeration, enrolment of eligible, interview of participants, X- Ray of all participants, Blood and sputum collection, maintaining cold-chain, transportation etc. • Use IT system for daily monitoring of progress and take timely corrective action for maintain highest quality and participation & completion of survey activities. • Establishing coordination and support from local health facilities and authorities for survey activities. • Ensure that electronic attendance register is maintained for Survey Team as well as supervisory officers, support staff etc. for each cluster. • Any other job as assigned by Survey PMU.
4.	Project Technical Officer (Medical Social Worker)	<ul style="list-style-type: none"> • Get trained in Protocol of National TB Prevalence Survey. • Assist Senior Investigator in training & sensitizations as well as other preparatory activities for the survey. • Organize sensitization of local leaders, community representatives and community groups.

		<ul style="list-style-type: none"> • Ensure participation of community members in Survey. • Supervise specifically census enumeration process • Address non-participation and manage instances of anti-propaganda in positive manner. • Establishing coordination and support from local health facilities and authorities for survey activities. • Any other job as assigned by Survey PMU.
5.	Project Assistant (Field Investigator)	<ul style="list-style-type: none"> • Get trained in Protocol of National TB Prevalence Survey, India 2017-18 as well as SOPs and training manuals. • Conduct census enumeration survey of participants by visiting the households. • Rapid data collection during census enumeration, enter in android based mobile application. • Decide on eligibility of individuals and inform them on timings for attending survey sites with procedures to be done. • Hand over the acknowledgement receipt with appropriate serial number to enrolled participant • Regularly synchronize data on mobile application with server. • Coordinate with local health staff (e.g. FHW) and MO / Senior investigator, to ensure that all exclusion criteria is applied as per SOPs • Follow-up eligible participants from household for participation if not presented on scheduled time. • Follow-up those eligible participants who could not give sputum samples on time. • Assist Survey Team Leader in preparing cluster report. • Assist Survey Team Leader in maintaining financial expenditure for each cluster. • Any other job as assigned by Team Investigator, Survey PMU.
6.	Project Technician III (Laboratory Technician)	<ul style="list-style-type: none"> • Get trained in Protocol of National TB Prevalence Survey, India 2017-18 as well as SOPs and training manuals. • Get trained in SOPs of NTEP and National Lab committee recommendations for Intermediate Reference Laboratories. • Achieve necessary skills to perform CBNAAT, testing, sputum microscopy, C&DST and Blood tests using autoanalyzer before Survey commencement. • Perform safe opening of all sputum specimens received by IRL. • Use IT system (scanner and laptop) to ensure all entries of each sample is and its result is entered in the application. • Inform the Survey Team & local DTO & STLS about the instances of leakage, contaminations etc. suggesting action e.g. Repeat sample collection. • Perform processing of all received sputum and blood samples at the van and conduct test as per methods described in SOPs. • Perform DNA extraction (following all steps of PCR) for Line Probe assay on all sputum sample received. • Any other job as assigned by Senior Investigator, Medical Officer & PMU as per Survey needs.
7.	Project Technician III (X-Ray Technician)	<ul style="list-style-type: none"> • Get trained in Protocol of National TB Prevalence Survey, India 2017-18 as well as SOPs and training manuals. • To organize radiology (Chest X-Ray) at the survey site (village / ward) in the mobile X-Ray van. • Explain each participant the procedure in local language before taking chest X-Ray. • Prepare cassettes by filling blank X-Ray films ready for shoot and undertake Chest X-Rays • (~150-200 per day) during survey cluster activities. • Ensure scanning of each cassette and use CR reader, PACS system and IT application for maintaining all information, X-Ray images and results from MO and tele-radiologist. • Monitor, the X-Ray shoot after calibration using the displays and digital monitors of output. • Preventive routine care & maintenance of X-Ray units. • Maintain stock of all logistics required for chest X- Ray.

		<ul style="list-style-type: none"> • Should be well acquainted and follow norms of AERB (Atomic Energy Regulatory Board) for Radiation Safety & B.I.S. (Bureau of Indian Standards) for Mechanical & Electrical Safety. • Any other job as assigned by Senior Investigator, Medical Officer & PMU as per Survey needs.
8.	Data Entry Operator Grade B	<ul style="list-style-type: none"> • Get trained in Protocol of National TB Prevalence Survey, India 2017-18 as well as SOPs and training manuals. • Manage all laptops, local server, internet connection, tablets and applications and ensure smooth data synchronization. • Monitor completeness of data in all fields during survey activities in the cluster village / town. • Regular monitoring of dashboards and reports with pending activity lists for all activities and share the same for follow-up with respective staff. • Cluster reporting and handing over by the Survey Team to local NTEP and health staff. • Coordinate with local NTEP Units for pending cluster activities (especially for sputum sample collection and transportation, patient treatment initiation etc.) • Maintain laptops, printers etc. in working condition including the anti-virus protection and regular updating, scanning etc. • Facilitate trouble shooting for any IT application related issue faced by survey team. • Manage correspondences between Survey Team and PMU as well as local health facilities e.g. DTC, PHC, GH, CHC etc. • Maintain expenditure of funds during the cluster. • Maintaining electronic attendance register for Survey Team as well as supervisory officers, support staff etc. for each cluster. • Any other job as assigned by Senior Investigator, Medical Officer & PMU as per Survey needs.
9.	Project Technician II (Health Assistant)	<ul style="list-style-type: none"> • Get trained in Protocol of National TB Prevalence Survey, India 2017-18 as well as SOPs and training manuals. • Confirm identity of participant based on survey enumeration database, enroll eligible in the survey, hand over correct enrolment card (with bar code) to the participant. • Inform the participants about the details of Survey, testing methods adopted and risks as well as benefits of the participation with standard tool and obtain written, informed & valid consent before enrolment of participant.. • Interview each enrolled participant (after taking consent) for symptom screening and history taking • Enter all information during interview in the android application on tablet. • Ensure that sputum is collected from each eligible based on symptom screening. • Advise participants about the next place to proceed, accompany the participant if needed. • Coordinate with local health staff (e.g. FHW) and MO / Survey Team Leader to ensure that all pregnant women are excluded from the study. Arrange for pregnancy test if required. • Ensure that chest X-Ray has been taken for all eligible participants. • Motivate the local staff, volunteers, to promote more participation in Survey. • Assist Senior Investigator in preparing cluster report. • Any other job as assigned by Senior Investigator, Medical Officer & PMU as per Survey needs.
10.	Project Technician II (Laboratory Assistant)	<ul style="list-style-type: none"> • Get trained in Protocol of National TB Prevalence Survey, India 2017-18 as well as SOPs and training manuals. • Assist the Laboratory Technician in all operations for blood and sputum sample collection, processing, organizing results etc. • Maintain cleanliness in the van and ensure biomedical waste management practices. • Ensure, water storage and emptying waste water tank from time to time. • Any other job as assigned by Laboratory Technician, Senior investigator and Survey PMU.
11.	Unskilled Worker (Helper)	<ul style="list-style-type: none"> • Get oriented in requirements of National TB Prevalence Survey, India 2017-18. • Assist in establishing central survey site at the central place in cluster or near strategic location near SC / PHC / CHC / GH.

		<ul style="list-style-type: none"> • Arrange interview sites with hired tables chairs, Canopy Booths, banners, erecting tents, etc. • Mounting and placing generator for electricity supply for the mobile X-Ray van. • Assisting driver in monitoring and maintaining overall vehicle condition in running condition. • Any other job as assigned by Senior Investigator, Medical Officer & PMU as per Survey needs.
12.	Senior Project Assistant (UDC)	<ul style="list-style-type: none"> • Get oriented in requirements of National TB Prevalence Survey, India 2017-18. • Ensure timely hiring and purchasing items from local market for smooth cluster operations. • Maintain books of accounts for all expenditure as required and allowed in the survey. • Ensure timely approval and payments against the approved expenditure as per survey guidelines. • Any other job as assigned by Senior Investigator, Medical Officer & PMU as per Survey needs.
13.	Unskilled Worker (Sweeper)	<ul style="list-style-type: none"> • Get oriented in requirements of National TB Prevalence Survey, India 2017-18. • Assist in establishing central survey site at the central place in cluster or near strategic location near SC / PHC / CHC / GH or community centres' etc. • Arranging drinking water, tea for the survey team, local volunteers, staff etc. • Plan & ensure sitting arrangements for survey team • Distribute IEC handbills. • Assist Survey Team & Research supervisor for frozen ice-packs for cold chain maintenance by coordinating with local PHC. • Any other job as assigned by Senior Investigator, Medical Officer & PMU as per Survey needs.
14.	Project Technician III (Laboratory Technician) (for IRL)	<ul style="list-style-type: none"> • Get trained in Protocol of National TB Prevalence Survey, India 2017-18 as well as SOPs and training manuals. • Get trained in SOPs of NTEP and National Lab committee recommendations for Intermediate Reference Laboratories. • Achieve necessary skills to perform CBNAAT, testing, sputum microscopy, C&DST and Blood tests using autoanalyzer before Survey commencement. • Perform safe opening of all sputum specimens received by IRL. • Maintain a register of entries of all sputum specimens received from Survey Teams. • Inform the Survey Team & local DTO & STLS about the instances of leakage, contaminations etc. suggesting action e.g. Repeat sample collection. • Perform processing of all received samples at IRL and decontamination by NALC-NAOH method • Perform direct Flurochrome- Microscopy on all sputum sample received. • Perform DNA extraction (following all steps of PCR) for Line Probe assay on all sputum sample received. • Inoculate Culture from all sputum specimens in L.J. Media. • Perform DST (RHSE) on all positive cultures • Inform the results of FM, C&DST & LPA to respective DTOs. <p>Any other job as assigned by Senior Investigator, IRL Microbiologist & PMU as per Survey needs.</p>

S. No	State Name	Address of Coordinating Office/Institute	Languages expected to be known
1	Tamil Nadu	National Institute for Research in Tuberculosis, No.1, Mayor Sathiyamoorthy Road, Chetpet Chennai-31	Tamil/ English
2	Kerala	State TB Cell, Red Cross Road, Near General Hospital, Thiruvananthapuram-695 035	Malayalam/ English
3	Telangana	National Institute of Nutrition, (Indian Council of Medical Research) Near Tarnaka Flyover, Jamai-Osmania PO Hyderabad-500 007	Telugu/English
4	Uttar Pradesh (Central)	National Jalma Institute of Leprosy and Other Mycobacterial Diseases, Dr.M. Miyazaki Marg, Forest Colony, Taj Ganj, Agra, Uttar Pradesh-282001	Hindi/English
5	Uttar Pradesh (West)	National Institute of Cancer Prevention & Research (Formerly ICPO) I 7, Sector 39, NOIDA, Distt. Gautam Buddha Nagar Uttar Pradesh 201 301	Hindi/Kashmiri/ Urdu/ English
6	Uttar Pradesh (East)	ICMR- Regional Medical Research Centre, Gorakhpur, Baba Raghav Das (BRD) Medical College Campus, Gorakhpur, Uttar Pradesh 273 013.	Hindi/English
7	Bihar	Rajendra Memorial Research Institute of Medical Science, Agamkuan, Patna – 800 007.	Hindi/English
8	Madhya Pradesh	National Institute of Research in Tribal Health, Nagpur Road, Near NSCB Medical College, Dhanvantri Nagar, Shastri Nagar, Jabalpur Madhya Pradesh- 482 003.	Hindi/English
9	Odisha	Regional Medical Research Centre, Chandrasekharpur Bhubaneswar, Odisha, 751 023.	Hindi/Oriya/ English
10	Assam	Regional Medical Research Centre, N.E (Region) Post Box No.105, Dibrugarh-786 001.	Hindi/Assamese/English/ (Other north Eastern Languages is additional advantage)
11	Maharashtra	National AIDS Research Institute, 73, 'G Block, MIDC, Bhosari Pune-411 026.	Hindi/Marathi/ English
12	Karnataka	National Tuberculosis Institute, No: 08, Avalon, Near Cauvery Theatre, Bellary Main Road, Guttahalli, Bengaluru – 560 003.	Kannada/English

13	Andhra Pradesh	State TB Training and Demonstration Centre (STDC) Vishakapatnam	Telugu/English
14	Punjab	State TB Training and Demonstration Centre (STDC), Patiala 147 001.	Hindi/Punjabi/ English
15	Rajasthan	National Institute for Implementation Research on Non-Communicable Diseases, New Pali Road, Jodhpur – 342 005.	Hindi/English
16	Jharkhand	State TB Cell (STC), State TB Office, 2nd Floor, Health Directorate, Namkum, Ranchi – 834 010. (Jharkhand)	Hindi/Urdu/ English

18	Kolkata	National Institute of Cholera and Enteric Diseases P-33, C.I.T. Road, Scheme XM, Beliaghata, Kolkata 700 010	Hindi/Bengali/ English
19	Gujarat	National Institute for Occupational Health, Meghani Nagar, Ahmedabad 380 016.	Hindi/Gujarati/ English

Note: Though the primary area of work is as mentioned above, depending on the project requirements the staff may be posted in the other sites, states for completion of the project in timely manner

General Conditions

1. Initial Contract for the Posting is for six months or till the completion of the project whichever is earlier.
2. The conditions of employment will be the same as that of the project staff on contract basis.
3. The candidates have no right to claim for any regular employment at this Institute.
4. The appointing authority has the right to accept/ reject any application without assigning any reason(s) and no correspondence in this matter will be entertained. Age, Qualification, experience etc., will be reckoned as on the date of walk-in-written test/ Interview.
5. Canvassing and bringing pressure in any form for short listing, interview and employment will be a disqualification and barred from selection process.
